FOR IMMEDIATE RELEASE

TOWN OF NORTH HAVEN  
DEPARTMENT OF PUBLIC WORKS

The Town of North Haven Water Pollution Control Authority (WPCA) has announced that bills for sewer usage will be mailed to all property owners whose homes or businesses are connected to the sanitary system. The charge will be \$270.00 for a single dwelling and \$540.00 for a two-family dwelling. The charge for industrial/commercial properties will be \$3.99/1,000 gallons with a minimum charge of \$270.00. The rate established by the WPCA is based upon actual expenses from the prior fiscal year.

The charge, which covers usage from July 1, 2016 to June 30, 2017, is mandated by the United States Environmental Protection Administration for municipalities receiving grants from the Federal Government.

For further information, please contact the Department of Public Works at 203-239-5321, ext. 400.
