North Haven Rec Center

Call to Order 7:00 pm by Chairman, Hugh Davis

Present: D. Baker, H. Davis, M. Mahon, Ray Sola, S. Stetson

Absent: S. Bonito

The next meeting will be held on Monday, May 19, 2014.

The minutes of the March 24, 2014 meeting were not presented for approval.

Haze waste: North Haven is responsible to one Saturday in July and one Saturday in October. Specific dates not known yet.

Earth Day:

All felt it was a great success.

All schools except Ridge Road participated.

Suggestions for next year: Have at least two food vendors. Get the Middle School / High School students involved by having them create environmental skits that can be shown on a TV monitor during event. Contact Best Buy about having a booth to retrieve used batteries and other groups to retrieve light bulbs and expired medications. Have someone at the event who can do weaving, crocheting demonstration. Instead of a singer perhaps some other forms of entertainment. Publicity: articles were done by the North Haven Post, The Citizen and the Advisor. The Courier interviewed Hugh but did not put in an article. NHTV interviewed Chairman, Hugh Davis.

Hugh is going to invite Anthony Giordino to our next meeting and ask if it is possible to have the meeting at the high school so that the committee can view the cafeteria space there as a possibility for next years event.

We need to fine out how much our total expenses for Earth Day were.

A topic and speaker is needed for our public forum in the fall.

Meeting adjourned at 8:40 pm.

Respectfully submitted,

Sandy Stetson
Acting Secretary
