The North Haven Economic Development Commission is inviting local business owners and associates, as well as interested community members to their spring breakfast being held on Thursday, April 14, 2106 at 7:30 am at FANTASIA located at 404 Washington Avenue, North Haven.

Topics on the agenda for this forum include North Haven's Plan of Conservation and Development, information on the New Haven/Hartford/Springfield Train Line as well as several economic development project updates by First Selectman Michael Freda.

"We have several exciting economic development projects unfolding here in town, and I am delighted to be able to share this information with members of our local business community" stated North Haven's CEO, Michael Freda. "The breakfast is helpful for getting information out in a timely and cohesive fashion", noted Freda.

Richard LoPresti, Chairman of the Economic Development Commission, commented that "this forum will provide a great opportunity to engage our business and community members as we progress with updating our Plan of Conservation and Development."
