

North Haven Open Space Advisory Committee
Meeting Minutes*
July 30, 2015 6:00 p.m.
Town Hall Annex

Committee Members Present:

Steve Fitzgerald (Selectman Appt.) (Chairman)
Hugh Davis (Conservation) (Vice Chairman)
Marc Cofrancesco (Land Trust)
Mary Lou Stamp (Parks & Rec)
Patricia Brown (Board of Finance)
Cheryl Juniewicz (P&Z)

Others Present:

Lynn Sadosky (Director of Public Works)
Laura Magaraci (Zoning Enforcement Officer)

1. The meeting was called to order by Steve Fitzgerald.
2. The Committee received handouts including Sheet 1 with accompanying maps (providing property description for 10 addresses in town that are currently undeveloped), Farmland Preservation Program description and Open Space and Watershed Land Acquisition Grant Program. Thereafter, Jonathan Bodwell and Alan Fredricksen provided to the Committee a parcel by parcel description of the parcels listed in Sheet 1. The presentation touched upon the various open space criteria used for evaluating the open space potential of parcels. The comprehensive presentation also included information about the parcel owners and the potential for near-term development.
3. At the conclusion of the presentation by Jonathan and Alan the Committee discussed next steps in the task of creating an open space parcel priority list. It was agreed that site visits were not necessary. The Committee then discussed the format of the priority list. It was decided that the list should include a brief narrative description of the parcels listed on Sheet 1 and the list should in some manner distinguish the parcels that are highest priority potential for open space preservation. Steve agreed to initiate a draft narrative and circulate it before the next meeting for comments, edits or additions.
4. It was decided that the next regularly scheduled meeting (set for August 6, 2015) would be cancelled due to summer vacations and that the next meeting will be

held on September 3rd at 6pm at the Town Hall Annex Conference Room.

Respectfully submitted,

Steve Fitzgerald
Chair NHOSAC
