| # smoke detectors _____ | # dryers _____ | # transfer switches _____ | tubs _____ |

Low voltage (Description): _____

ADDITIONAL REQUIREMENTS MAY BE NECESSARY PRIOR TO C/O
Smoke & CO detectors must be installed to code prior to Final Inspections

APPLICANT :

I hereby certify that I am the Owner of the property which is the subject of this application, or the authorized agent of the property owner and have been authorized to make this application. I understand that when a permit is issued, it is a permit to proceed and grants no right to violate the State Building Code or any other code, regulation, ordinance or statute, regardless of what might be shown or omitted on the submitted plans and specifications. All information contained within is true and accurate to the best of my knowledge and belief. All permits approved are subject to inspections. In addition I authorize the Town of North Haven to properly dispose of all residential construction plans two (2) years after issuance of the Certificate of Occupancy or Final inspection, unless written request is submitted to the Building Office prior to that time.
